Dear Corporate or Personal Sponsor:

Baseliners96 is a girl's fastpitch tournament softball team affiliated with the Lower Loudoun Girls Softball League (LLGSL). The young ladies on the Baseliners96 team are united both in their love of the game and their desire to better their skills in the more competitive arena of tournament softball. The team is made up of dedicated athletes who train year-round to become the best they can be. The Sterling-based Baseliners fastpitch softball association encourages each participant to play at the highest level of competition, by offering strong leadership, good sportsmanship, and an overall supportive environment. Please feel free to visit our webpage at <http://www.baseliners.org/13> for more detailed information regarding our team.

We are on a dedicated campaign to continue our program's success, and we are asking for your support. We begin our 2009-2010 season preparing to compete in approximately 18 tournaments during the year; 5 during the Fall, and 13 during the Spring/Summer. Our season will culminate with the team's participation in the National Championships in July 2010. The team will host at least two tournaments this season. These local tournaments will serve not only as a fundraiser for the team, but will also benefit the community and local businesses by bringing in teams and revenue from around the region to our local economy.

The team's success and accomplishments in the past have been based heavily on the support received by dedicated sponsors and local businesses, and it is more important than ever that we receive your continued support during the 2009-2010 campaign. Contributions from sponsorships will be used for team expenses such as tournament registration fees, uniforms, team equipment, practice facilities for off-season training, and travel expenses.
